ORDER

AND NOW, this 12th day of September, 2025, upon consideration of the letter briefs submitted to Chambers on September 5 and 8, 2025 and the arguments made by counsel at conferences on September 3 and 12, 2025, it is **ORDERED** that Plaintiffs' request for the custodial files and depositions of Anders Per Sorenson and Matyas Lakatos is **DENIED WITHOUT PREJUDICE**. Plaintiffs are already set to depose other members of Defendant Novo Nordisk's American and global divisions for regulatory affairs, including Stephanie DeChiaro, Milos Marinkovic, Trine Kruse and Afsaneh Abbariki.¹ Should those depositions reveal that either Per Sorenson or Lakatos has non-duplicative information relevant to Cross Cutting Issue No. 2, then Plaintiffs may renew their request.²

BY THE COURT:

/s/ Karen Spencer Marston
KAREN SPENCER MARSTON, J.

¹ The Court notes that Marinkovic, Kruse, and Abbariki have roles on regulatory affairs and were also members of the same safety committee as Per Sorenson and Lakatos.

² Even then, however, the Court will likely limit any discovery of these individuals to their roles on safety committees and in regulatory decision making.
